Certification Relating to the Block Exemption Regulation No. 461/2010 and the Supplementary Guidelines to the same (210/C 138/05) Paragraphs 19 & 20

We confirm that all of our products which are supplied to the Independent Aftermarket ("Products") are of a quality and standard which is at least "matching quality", (as defined in Article (20) of the Supplementary Guidelines 210/C 138/05) to equivalent "original" parts (as defined in Article (19) of such Guidelines).

Therefore, the quality of our Products is sufficiently high that they meet requirements for use in the repair and maintenance of the relevant vehicles.

This certificate replaces all previous certificates.
